

"MOSI LIFE: Modelling Situations for Life"

PROJECT MEETING IN LITHUANIA

MosiLife meeting was held in Vilnius on February 21-22, 2022 and plans for the future were discussed

'MosiLife' project partners from Lithuania, Romania, Cyprus and Spain came to participate in the meeting which was delivered in Vilnius during 21-22 February, 2022. In this meeting, we discussed and confirmed all the steps that needs to be taken to achieve our goals. Our goal is to providing tools for young people with special needs, so they can establish themselves more easily in society.

What is 'Mosi Life'?

"MOSI LIFE: Modelling Situations for Life" is a project aiming at providing tools to young people having fewer opportunities, namely Special Education Needs youth, to overcome situations where they face difficulties in their daily lives.
